    1. For your information and analysis, the following recent bills and reports are enclosed:

    1) H.R. 6080 was introduced on 6 August by Congressman Barnes and a number of co-sponsors and referred to the House Committee on Post Office and Civil Service. The bill is intended to amend title 5, United States Code, to provide that a reduction in force may not be conducted until certain alternative measures have been exhausted; to ensure the cost effectiveness of those alternative measures and any measures taken in conducting a reduction in force; to safeguard against unnecessary disruption, productivity loss, and harm to labor-management relations due to a reduction in force, and for other purposes.

    2) S. 2924 was introduced by Senator Jepsen on 8 August and referred to the Committee on Governmental Affairs. If inacted, this legislation would amend title 5, United States Code, to require that any officer or employee of the Government convicted of a felony be removed from the civil service.

    3) Committee Print 98-15 was issued on 15 July by the House Committee on Post Office and Civil Service. It describes Current Salary Schedules of Federal Officers and Employees together with a History of Salary and Retirement Annuity Adjustments.

4) Report 98-896, Part 1, was issued on 24 July by the Committee on Post Office and Civil Service to accompany H.R. 5917. This legislation is intended to amend the Ethics in Government Act of 1978 to provide for programs designed to inform Federal employees of applicable standards of conducts, and to improve the administration of ethics programs in the Federal Government.
